

Kinship Houses

01

Kinship House Flagship Location

This is our flagship location consisting of two homes at 1823 and 1811 NE 8th Ave.

02

Letty Owings Clinic

One clinician is located here part-time to provide access to services for the women and children residing at this Central City Concern Program.

03

East County Clinic

Three clinicians provide ongoing therapy at this location. Typically, clients that reside further east will see clinicians here three days of the week.

04

Boys & Girls Aid Clinic

One clinician is co-located at BGAID within their Adoption Services Team. This provides ready access to families moving through adoption as well as external clients residing in this area.

05

Bridge Meadows West Clinic

Kinship House has two full-time clinicians located here to serve the residents at Bridge Meadows as well as external clients residing in the Beaverton area.
